Northern Hemisphere

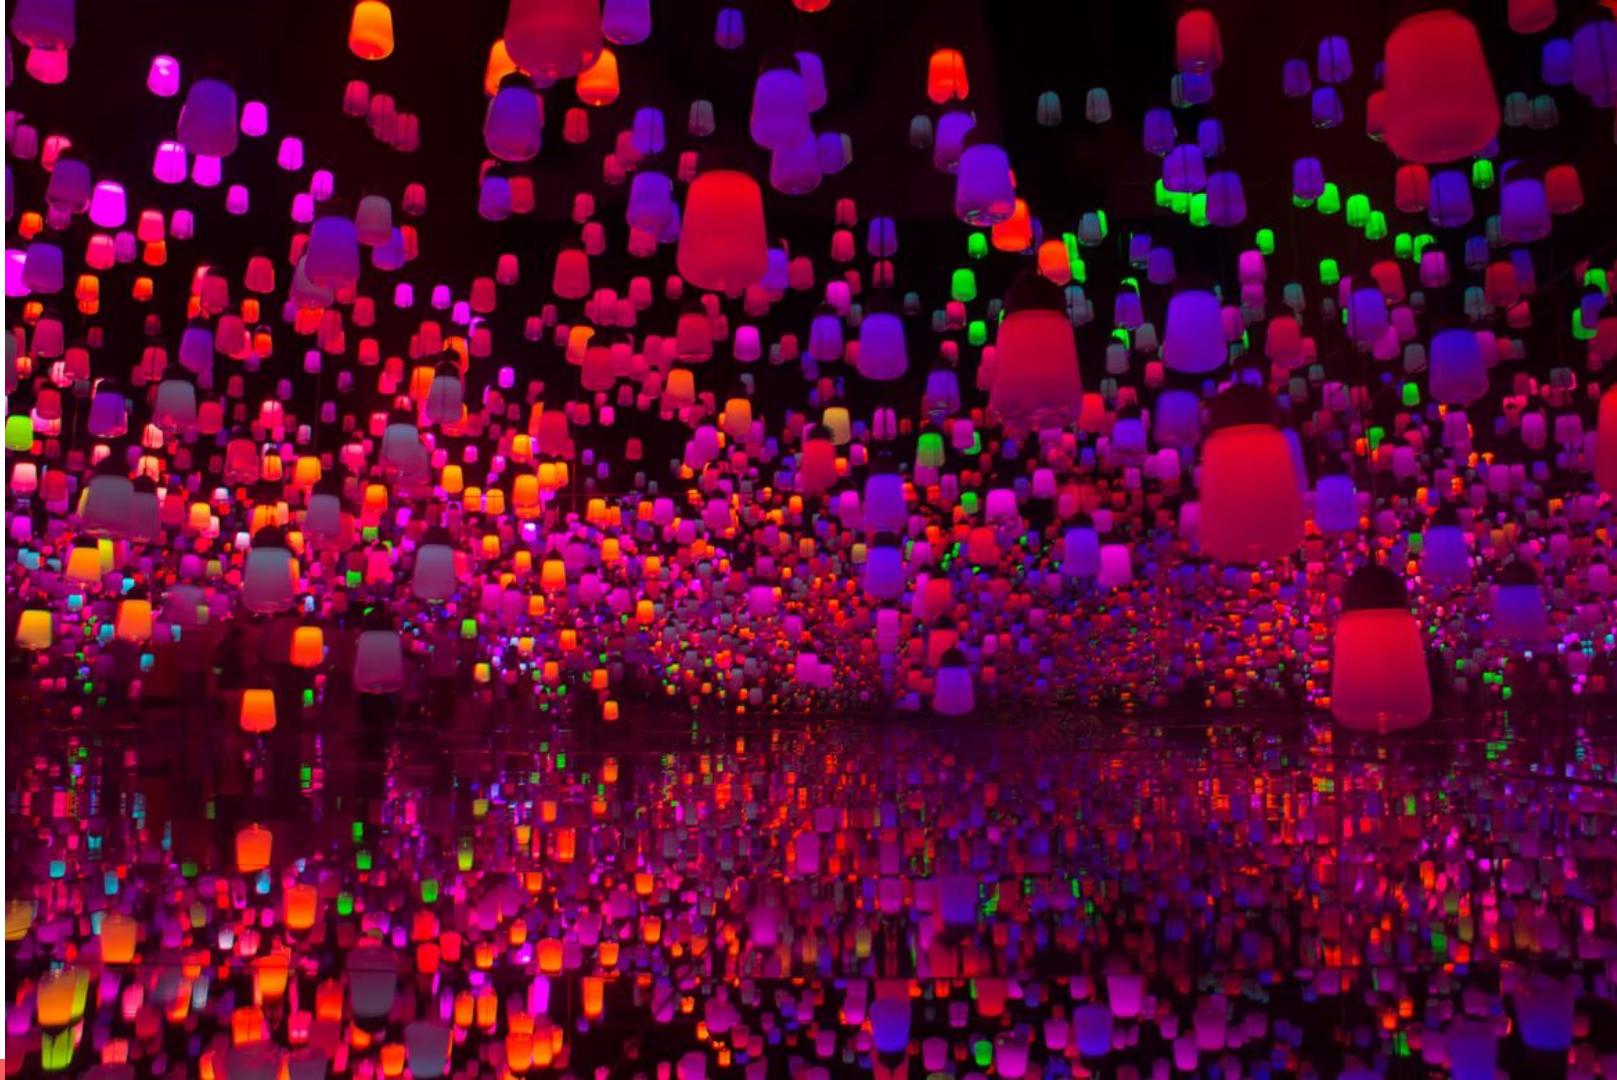

Asia

The background features a repeating pattern of light beige concentric circles, resembling waves or ripples. In the center is a large, solid red circle. At the base of the circle is a stylized white mountain peak with dark blue shadows. Two white cherry blossom flowers are positioned on either side of the circle. The word "Japan" is written in large, white, sans-serif capital letters across the middle of the red circle. Below it, the word "Tokyo" is written in a slightly smaller, white, sans-serif font.

Corona measures

Vaccinated

You can still get corona. It's possible that then you cannot enter or leave the country. Also not sure which vaccine Japan approves of.

Unvaccinated

Cannot guarantee that Japan will let you enter in April.
